Please note that the Southern Wake Series or it's Agents (hereby referred to as SWS) have the right to cut classes, combine classes, or add classes as they see fit. Classes may be dropped or added based on sign-up or participation. We also reserve the right to move a rider up or down in a class based on the perceived skill level. This is at our discretion and is unchallengeable. It is highly recommended that you register early to avoid any issues. Registration closes one hour prior to the estimated start time of each division. It is solely up to SWS' discretion whether any participant will be allowed to register after that time. This is a rain or shine event. All riders must have a valid WWA membership to compete in the contest. If you do not have a current WWA membership you may purchase one at sign-up. If you are under 19 years of age you must have a parent signature to compete in the contest. Participants will be given a copy of the rules that govern the contests within the Southern Wake Series. It is up to the participant to read, understand, and follow these rules. No exceptions will be made for failure to follow the rules. It is your responsibility to make your ride time. We are not responsible for any missed ride times. You may be unable to hear announcements if you are away from the contest site; it is suggested that you stay near the site and in hearing distance of the announcer until after you have competed. No refunds will be issued for missing your ride time. Designated watercraft are for rider pick up and emergency use only.
