All riders must have a valid WWA membership to compete in the contest. If you do not have a current WWA membership you may purchase one when you sign-up for the contest.

If you are under 18 years of age you must have a parent signature to compete in the contest.

It is your responsibility to make your ride time. We are not responsible for you missing your ride time. You may be unable to hear announcements in the boat line and it is suggested you stay on shore until after you have competed. The designated jetskis are there for the safety of the riders and are not a taxi service to and from the boatline. No refunds will be issued for missing your ride time.

Registration closes one hour prior to the estimated start time of each division. It is solely up to Wakefactory's discretion whether anyone will be allowed to register after that time.
